

**REMARKS**

This supplemental response is filed pursuant to a telephonic request by Examiner Devi on December 28, 2010, to change the form of applicants' October 19, 2010 amendment to the specification. Applicants herewith resubmit the amendment to the specification but reference page and line numbers in the application, as filed, rather than reference the published paragraph numbers that correspond to such page and line numbers. Applicants also show the deletion of a paragraph with strike-out markings. No new matter is added with this amendment.

Applicants believe this response is timely and that no extension of time is needed or fees due. In the event this is not correct, applicants petition for an extension of time and authorize the commissioner to charge any fees due to Deposit Account No. 01-2300 referencing docket number 021305-00294.

Withdrawal of all objections and rejections is respectfully requested in view of the above amendments and the amendments and arguments submitted on October 19, 2010. Applicants believe all the pending claims are in condition for allowance and request an early notification of the same. Examiner Devi is invited to contact the undersigned at the telephone number listed below, for any reason related to the advancement of this case.

Respectfully submitted,

By:
